

VBS 2026 Mission Project Supplies Needed
Mission: Connie Maxwell Children's Home Birthday Bags

The church will be collecting items for 39 birthday bags for children currently in residential care in Conne Maxwell's Greenville Campus. The church would appreciate any donations on the list provided to help support the project. As part of the mission project, children will write/create birthday letters/cards to their assigned child and decorate a birthday bag during VBS missions and crafts rotations. This year's VBS offering will also support supplies and any remaining items needed to make these birthday bags wonderful for the children at Connie Maxwell. We would appreciate your support as we teach our children that Jesus is the light of the world and how they can share Jesus' love to all people by being a light for Him. - John 8:12

Hygiene Products can be travel, medium or full size bottles

Children are male and female ages 7 - 18
